Small Business/Nonprofit Organization Rebuilding Relief Grants in The Midway and The City of Saint Paul.

The COVID-19 pandemic created an emerging economic crisis unlike any we have faced in recent memory. The tragic death of George Floyd and the unrest that followed further devastated many East Metro small businesses that are now struggling as well as trying to repair, rebuild, re-open, or remain open.

The We Love Saint Paul and We Love Midway funds were set up in partnership between the Saint Paul Area Chamber of Commerce, the Midway Chamber of Commerce, and the Saint Paul Downtown Alliance in order to provide direct support, through emergency relief funds, to small businesses and nonprofits impacted by the unrest that followed Mr. Floyd's death. The intention is to rebuild storefronts and reopen businesses quickly.

We will award grants on a rolling basis until the funds are exhausted.
